Dear President Rose:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 7-9, 2009, reviewed the Special Report submitted by the college in conjunction with the Midterm Report and the report of the evaluation team which visited on Friday, November 7, 2008. The Commission took action to accept the report and **remove the college from Probation.**

I have previously sent you a copy of the evaluation team report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include the Chancellor, campus leadership, and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. Should you want the report electronically to place on your web site or for some other purpose, please contact Commission staff. The Special/Midterm Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Please note that the next comprehensive evaluation of Modesto Junior College will occur during **Fall 2011.**

Sincerely,

Barbara A. Beno, Ph.D.
President
