Dear President Stearns:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 8, 2014 to review the Substantive Change Proposal from Modesto Junior College to offer 37 associate degrees and four certificate programs (see attached) at 50% or more via distance education.

The Committee acted to approve the request and commends the College on the completeness and clarity of the Proposal.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, institutional effectiveness and educational quality.

Sincerely,
