

MJC Just the Facts: Transfer-Level Math/English

The March 2021 release of the [Student Success Metrics dashboard \(SSM\)](#) is now live with 2019-2020 information.

The metric below describes the percent of students completing Transfer-Level Math/English within their first academic year of credit enrollment.

The March release includes many changes, including a new “Unknown/Unreported” category within the “First Generation” demographic. **Previously**, students with an unknown/unreported first-generation status were included in the “Non-First Generation” category.

Completed Transfer-Level Math/English within their first academic year of credit enrollment	English		Math	
	2015-2016	2019-2020	2015-2016	2019-2020
First Generation	12%	29%	2%	6%
Not First Generation	19%	35%	3%	10%
Unknown/Unreported	5%	24%	1%	5%
Overall	14%	31%	2%	8%
