Fall 2020 MJC Headcount

For fall 2020:

- 17,049 students were actively enrolled as of the start of the term (08/24/2020)
- 16,673 students were actively enrolled as of first census (09/08/2020)

As students juggle jobs, college, and children who are also learning online during the pandemic, there may be additional drops. These data are an initial snapshot and can inform discussions about interventions to help students engage in and complete courses.
