

Retirees of YCCD/MJC and Columbia College,

Greetings Retirees,

The Campus Safety Department wanted to remind you that YCCD offers a discounted “Retiree” Parking Permit. These permits are specifically designed for certificated and classified Retirees who continue to have business on the MJC/Columbia campuses or find themselves frequenting the campus several times a year. The annual Retiree Permit cost is \$10.00 for the year and is valid for the Fiscal Year and coincides with the District’s Fiscal Year (July 1st through June 30th). This permit is a substantial discount and benefit for our Retirees. Permits are available to purchase now at Campus Safety for the coming 2020-2021 Fiscal Year.

To purchase a Retiree Parking Permit, you must purchase them from the East Campus Safety Administration Office. To purchase a permit please bring in \$10.00 in exact change or you may write a check made out to YCCD. You may also obtain a permit by mail. Just send your check to MJC East Campus Safety Administration Office. 435 College Ave. Modesto, CA 95350. ATTN: Rebecca/Janie.

The Retiree permit is valid in Staff or Student Parking Spaces. The Retiree permit must be used by the Retiree only and is subject to all of the current Staff YCCD/MJC Parking Regulations.

If you have any questions concerning this, please contact our office for more information.

Best Regards,

Bill Watts,
Campus Safety Supervisor
