Spelling 32 online is a course designed specifically for those who are comfortable with computers and need to improve their spelling skills. It is especially recommended for those students who are in need of improving words that are commonly misspelled and for students enrolled in composition courses. The course will involve two class meetings: midterm exam (June 25th - 1:00 p.m.), and final exam (August 19th - 1:00 p.m.). The majority of the course will be online in combination with a workbook. It is self-paced. For more information, please contact Professor Scheg at schegl@mjc.edu.
